

# 2022 Conference Registration

## Pandemic Precautions

Although the impact, if any, of the pandemic on our conference is unknown at this point, we will be bound by whatever the local regulations are at the time and are asking that people attend only if they have been vaccinated or have had a negative test prior to attending. We also advise that you take the precautions that you are personally comfortable with such as having been vaccinated yourself or wearing a mask for your own protection.

### 1) READ THESE INSTRUCTIONS

1. Select the appropriate link at the bottom of this page under *Register Here* and make your selections; and
2. Complete the Payment.

### 2) NOTE THE DISCOUNT DEADLINES! (See CONFERENCE FEE Schedule Below)

- Last Day to Register for Discounted Rooms at the Loews Ventana Resort was 30 June but may be extended as long as rooms are available – so continue to call for reservations

### 3) JOIN IASD TO REGISTER AT MEMBER RATES!

Conference discounts for members, in the range of 10% to 15% less than non-member fees, **pay for most of your membership fees**. For example: an individual general membership \$100 membership fee can save up to \$80 on the conference, depending on registration category; and a student/limited-income membership of \$65 could save \$40 on the conference. To Join or Renew your membership [CLICK HERE](#), then return to this **Registration** form when finished.

### 4) MAKE LODGING RESERVATIONS DIRECTLY WITH THE HOTEL

The conference hotel – the Loews Ventana Canyon Resort – is the only lodging for discounted rooms at the conference site and the best lodging choice for ease in getting to the conference events on time. There are no other hotels or restaurants within walking distance, so transportation would be needed if you plan to stay off site. For your convenience, IASD has committed to a limited block of 152 discounted rooms for a special group rate of \$115 per night (along with some special upgrade pricing), so please

register early so we can provide a discounted space for you. The hotel placed a 30 June deadline on reservations but may choose to honor our discount on a space available basis. We strongly recommend that you stay there, both for your convenience as well as helping IASD to meet our commitment and avoid our becoming responsible for unsold or cancelled rooms.
